

General Studies AS Degree/Economics (AIG3)- 62 Credit Hours

Program Description:

The Associate of Science Degree in General Studies provides an opportunity for students to earn specific occupational and general education credits in math, humanities, social sciences, and natural sciences that can transfer toward a four-year degree. The degree requires completion of 62 semester credit hours (41 hours of general education requirements and a minimum of 21 hours of specific occupational courses). The **Economics** specialization focuses on the principles of markets and finance, statistics, macroeconomics, and microeconomics. Graduates may pursue a bachelor’s degree in business, management, finance, or economics, or seek entry-level jobs in accounting, banking, insurance, or real estate.
