

Forensic Science Fundamentals FSF1—12 Credit Hours

Program Description:

The Forensic Science Fundamentals Technical Certificate of Credit begins to introduce students to various careers in the rapidly growing field of forensic science. Students will gain introductory exposure to knowledge and skills that may encourage further academic preparation in careers in forensic technology in areas such as crime scene investigation, death investigation, laboratory technology, evidence technology, forensic computer science, and general forensic science or criminal justice fields. Graduates will gain exposure to knowledge and skills that may encourage preparation and departmental advancement in the areas of forensic science technology or criminal justice.
