Are you interested in improving your ability to read, write, think critically and communicate effectively?

Would you like to network with mentors to enhance your personal presentation for employment purposes?

Would you like to engage socially with other African American male students at West Georgia Technical College who are attempting to better their prospect for academic achievement, program completion, successful careers and meaningful employment?

'Destiny is not a matter of chance it is a matter of choice.' Anon

The ACE Program is a new student focused program intended to bring primarily African American males students together to enhance their social integration and academic success at West Georgia Technical College. Participating students will receive enhanced counseling and academic support, attend informational workshops, receive employment coaching from mentors, and participate in social activities.
