

JOIN ACE

Answering the Call of Excellence

A group of elite students....

Are you interested in improving your ability to read, write, think critically and communicate effectively?

Would you like to network with mentors to enhance your personal presentation for employment purposes?

Would you like to engage socially with other students at West Georgia Technical College who are attempting to better their prospect for academic achievement, program completion, successful careers and meaningful employment?

'Destiny is not a matter of chance it is a matter of choice.' Anon

Then ACE is right for you!

Campus Meetings Coming to a Campus Near You!

Mission Statement

The ACE Program (Answering the Call for Excellence) is an academic advising, counseling, mentoring, and social support program intended to provide academic enrichment, leadership development, enhanced sense of professionalism and self-advocacy, critical thinking and communication skills leading to program completion, graduation and employment for students attending West Georgia Technical College.
