

## **COS - STI I: Shampoo Technician TCC (replaces SHTI: Shampoo Technician in the Quarter System)**

The Shampoo Technician certificate program introduces courses that prepare students for careers in the field of cosmetology as shampoo technicians. Learning opportunities develop academic and professional knowledge required for job acquisition, retention, and advancement. The program emphasizes specialized training for safety, sanitation, state laws, rules and regulations, chemistry, anatomy and physiology, skin, hair, hair treatments and manipulations, hair styling, artificial hair, braiding/intertwining hair, reception sales, management, employability skills, and work ethics.

### **Career Opportunities**

*Graduates are employable as cosmetology salespersons, salon managers, or salon owners.*

### **Credit Required for Completion: Minimum of 12 credit hours**
