

EMS - EMHI: Advanced Emergency Medical Technician TCC (replaces EM0I: Emergency Medical Technician-Intermediate in the Quarter System)

Successful completion of the Advanced Emergency Medical Technician certificate program allows the graduate to take the National Registry of Emergency Medical Technicians AEMT certification examination and apply for Georgia licensure as an AEMT.

Career Opportunities

Graduates may find employment with ambulance services, fire departments, volunteer rescue squads, or with companies that are training designated employees to provide emergency care.

Credit Required for Completion: Minimum of 10 credit hours
