

EMS - EMJI: Emergency Medical Technician TCC (replaces EMBI: Emergency Medical Technician-Basic in the Quarter System)

Successful completion of the Emergency Medical Technician certificate program allows the graduate to take the National Registry of Emergency Medical Technicians EMT certification examination and apply for Georgia licensure as an EMT.

Career Opportunities

Graduates may find employment with ambulance services, fire departments, volunteer rescue squads, or with companies that are training designated employees to provide emergency care.

Credit Required for Completion: Minimum of 16 credit hours
