

West Georgia Technical College
Competitive Selection File Review Request
Radiologic Technology
Douglas Campus and LaGrange Campus
Application Deadline June 1, 2018

(If the deadline falls on a weekend or holiday, File Review Requests will be accepted the first business day following the deadline)

Please complete the Competitive Selection File Review Request, attach all required documents, and submit to the Enrollment Center at the Carroll, Coweta, Douglas, LaGrange or Murphy Campus. Neither the Competitive Selection File Review Request nor supporting documentation will be accepted after the application deadline. Documents may not be submitted individually.

Please refer to the 2017-2018 Student Catalog for information regarding the competitive selection process. Additional program specific information is found in the Academic Programs section of the 2017-2018 Student Catalog.

A student previously admitted to a WGTC Health Science diploma or degree program or a Nursing diploma or degree program, who did not complete with their cohort, must petition the Dean of the School of Health Sciences to be considered for admission. If you were previously admitted to a WGTC Health Science or Nursing program, and did not graduate from that program, you must have permission from the Dean of the School of Health Sciences before you submit a Competitive Selection File Review Request.

1. Are you in good academic standing with WGTC? _____Yes _____No

2. Have you submitted an official transcript from each college previously attended? _____Yes _____No _____N/A

Intentional or unintentional omission of a previous transcript disqualifies an applicant.

3. Do you hold a current CPR Certification by the American Heart Association for Healthcare Providers? _____Yes _____No

Expiration Date _____

Copy of the front and back of certification card must be attached.

4. Have you completed the Psychological Services Bureau (PSB) Health Occupations Aptitude Examination with a minimum raw score of 200? _____Yes _____No

Official PSB Score Report must be attached and current within five (5) years.

The Radiologic Technology program requires the following courses to be completed by the application deadline. Each course must be completed with a minimum grade of C. In addition to earning a minimum grade of C in each course, an overall GPA of 3.0 must be earned in the required courses. Specific technical, science, and Health Science courses must be completed within seven years of the start of the Fall Semester 2018 program cohort.

Please identify where and when each course was completed, and the letter grade attained. If you repeated a required course, please list information relative to the highest grade achieved. WGTC must have an official transcript on file for each college previously attended. Please view your WGTC academic history through Self-Service BANNER Web to find the dates and grades for specific courses completed with WGTC.

*Course must be completed within the seven years of the start of the Fall Semester 2018 program cohort.

In addition to the courses listed above, a student must complete ALHS 1090 with a minimum grade of C within the seven years of the start of the Fall Semester 2018 program cohort or during Fall Semester 2018. The course is not required to be completed prior to the application deadline but must be completed prior to Spring Semester 2019.

I understand that this request, along with all course information and supporting transcripts, test results, and copy of current CPR card, must be received by the application deadline. I also understand that completion of these courses and meeting other minimum requirements does not guarantee selection as there are a limited number of seats available in the occupational and clinical courses and selection is based on the competitive selection process.
