ATTENTION VETERANS AND DEPENDENTS RECEIVING EDUCATION BENEFITS

We need your help!

The Veterans Affairs Department at West Georgia Technical College is in the process of updating our records. **We need your help to get an updated Certificate of Eligibility.** This will help us in advising you properly on your remaining benefits and helping you keep track of your benefit status.

To do this we need you to contact VA at 1-888-442-4551 and ask to receive an updated Certificate of Eligibility.

If you are set-up on E-Benefits, you can simply print out a copy of your “Enrollment Benefits Status” page from the website.

As an incentive, **we are holding a drawing to give away 3 backpacks at each campus filled with all kinds of good stuff — thermos, mugs, T-shirts, pens and more!**

To enter for the drawing you must turn in your updated Certificate of Eligibility. Deadline for entry is Thursday, August 24, 2017. For more information, contact the Veterans Affairs Department at 678.664.0557 or VAresources@westgatech.edu.
