MENTOR CONNECTION

WGTC Mentor Connection is built on the philosophy that the personal connection between a mentor and student will support student self-advocacy leading a determined student to graduate from West Georgia Technical College. The positive connections that students make at the College foster the creation of a safe and comfortable learning environment.

FREE TUTORING

Tutoring is available on all five campuses of WGTC. Check out the current tutoring schedule at <http://www.westgatech.edu/academics/lss/TutorSch.pdf>

OUR PURPOSE

The Student Success program at West Georgia Technical College offers mentoring to support the acquisition of knowledge and the journey of lifelong learning.

Students who are in need of academic assistance can get help at WGTC. Our tutoring program is designed to improve students' abilities in the areas of English composition, mathematics, and reading skills.

WEB SOLUTIONS

Skills Tutor is a web-based tutoring program that refreshes or improves core academic skills in Reading, Writing, Language, and Math.

Accessible from anywhere and at anytime internet access is available, Skills Tutor can be used by the student with minimal guidance. The student's progress is monitored by an easy-to-use management system.

All currently enrolled students can easily access this tutoring program. You can log in any computer with an internet connection. No software to install. Go directly to the link at
