

CN21: Nurse Aide TCC (replaces TTPI: Patient Care Assisting and PCGI: Patient Care Technician in the Quarter System)

The Nurse Aide certificate program prepares students with classroom training and practice as well as the clinical experiences necessary to care for patients in various settings including general medical and surgical hospitals, nursing care facilities, community care facilities for the elderly, and home health care services. Students who successfully complete the Nurse Aide Technical Certificate of Credit may be eligible to sit for the National Nurse Aide Assessment program (NNAAP), which determines competency to become enrolled in the State nurse aide registry.

Career Opportunities

Graduates may find employment as nurse aides in hospitals, nursing care facilities, home health care services, and community care.

Credit Required for Completion: Minimum of 13 credit hours
