

## **WLD - PW I I: Pipe Welder TCC (replaces ADWI: Pipe Welder in the Quarter System)**

The Pipe Welder certificate program provides instruction in the specialized field of pipe welding. A good understanding and skill base is essential for the completion of this program. Topics include advanced gas tungsten arc welding practices, fabrication practices, and pipe welding techniques.

### **Career Opportunities**

*Graduates may find employment as pipe welders, pipe fitters, boilermaker apprentices, plumber apprentices, process pipe welders in food production, oil rig welders, or pipeline maintenance welders*

**Credit Required for Completion: Minimum of 12 credit hours**
