

Course Progression

To meet academic requirements, students may not make a grade of *D* in their program courses, including program-specific electives. (This policy excludes core courses, unless a grade of *C* or better is required as a prerequisite to other courses.) Students who make a *D* must repeat the course and obtain a final grade higher than *D*. The first grade will, however, still be recorded on the transcript. A minimum cumulative grade point average of 2.0 is required for graduation.

To fulfill the academic requirements of all Health Sciences programs, a minimum grade of *C* is required for progress from specified courses to more advanced courses. In addition, a minimum grade of 75 is required for academic course progression in both the Registered Nursing and Licensed Practical Nursing programs. Students unable to meet the academic requirements for continuation in any Health Sciences program will not be allowed to continue until the requirements are met. Upon completion of these requirements, the student will be allowed to continue when course sequence permits. A second unsatisfactory attempt in any required program-specific course would result in dismissal of the student from the program.
