Academic Probation and Dismissal
Students who earn a GPA of less than 2.0 for a quarter are placed on academic probation. The quarter GPA is calculated according to the College’s grading system and grade point formula found in sections Grading System and Grade Point Average (GPA) of this catalog.

Students who are placed on academic probation or are admitted on probation must earn a minimum of a 2.0 GPA the following quarter of attendance to remove themselves from probation. Students who fail to earn a 2.0 GPA while on probation are subject to academic dismissal.

A student who receives an academic dismissal may apply for re-admission after one full quarter. A second academic dismissal will constitute a permanent dismissal.

**Transfer Credit from Other Institutions**

Students may request transfer of credit for course work completed at a nationally or regionally recognized accredited institution. To comply with state policy, West Georgia Technical College requires that a minimum of twenty-five percent (25%) of the course work of a particular program of study be completed at WGTC in order to grant the award. The Registrar may confer with program instructors when determining appropriateness of transfer request but is responsible for final transfer credit approval. Students who have been educated outside of the United States will need to have their transcripts translated and evaluated by professional credential evaluation services before any credit will be considered.

1. Student must request review for transfer of credit within the first quarter of attendance. Request for Transfer of Credit forms are available in the Office of Student Affairs.
2. Student must provide an official transcript from the institution with which course work was completed. Transfer credit may not be awarded if credit is showing on transcript as transfer or exemption credit.

4. Previous course work must have been completed with a grade of C (2.0) or better to be considered for transfer credit.

6. Student will be notified by mail of approved transferred credits within several weeks from submission of the Request for Transfer of Credit form.
