In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure V.B.3 to warrant an in-state classification. Students that are initially classified as out-of-state, and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

Tools/Kits: In many training programs, students are required to purchase basic tools essential to the occupational field for which they are training.

Uniforms/Badges: (can be purchased through the College) varies in cost according to program of study. In many programs students will be required to purchase uniforms and badges related to their programs. Students in the Radiologic Technology program are charged a \$12 fee for radiation badges in those courses whereas a radiation badge must be worn.

Refund of Tuition and Fees

Dropping a class (or classes) before the fourth day of the semester will generate a 100 percent refund of tuition and applicable fees. Refunds are posted to the student's personal checking or savings account via automatic deposit (ACH). Refunds may take up to 30 days for processing. All registered students should receive a refund disbursement packet from Bank Mobile. Refund options include ACH to a current bank account or opening a Bank Mobile account. When refunds are processed, they will be deposited to the student's selected account. Please ensure mailing addresses are kept current with WGTC and Bank Mobile to receive information regarding refunds.

Students who pay any tuition, fees, or book costs with a check will not be refunded until 30 days after the issuance of that check. Once the student check has cleared the bank, the business office will proceed in posting a refund to the student's individual bank account.

Students who are eligible for Title IV funds and withdraw from the College before completing 60 percent of the semester will have their award recalculated according to the Return of Title IV Funds Policy. Recalculations will be based on the number of days completed within the semester.

Student Insurance

All students enrolled in credit programs and continuing education courses are covered by school accident insurance while on campus. NOTE: The insurance is only supplementary.

Financial Obligation to the College

Failure to meet financial obligations to the College may result in the student's automatic withdrawal with no credit for the semester. Additionally, such a student may be denied enrollment in subsequent semesters. The College will withhold copies of educational records of students who have outstanding debts to the institution. After the college has attempted to collect a debt from a student, the debt owed to the college will be sent to a collection agency to collect the debt on behalf of the College. This collection attempt will include, but is not limited to, collection attempts made by phone calls, mailed notifications, placement with credit bureaus and, up to and including, placement with local magistrate court.

The College also makes attempts to collect financial obligations owed to the College prior to the start of classes for each semester so that the student will not lose course enrollment due to non-payment. The College accomplishes this by using a third-party messaging system that enables the College to contact many students at once. This is a complimentary service to the student as a reminder only, and it is the responsibility of the student to ensure all fees and tuition are paid in full prior to attending class on the first day of each semester.
