Experience

- Students may view positions available from the web.
- In order to apply for any position, you must create an Experience account
- Experience will allow you to search for job opportunities by job type and location.

Create an account with Experience (www.wgtecjobweb.experience.com)

- On left hand side of screen, select “Create Account” and read everything carefully.
- Follow instructions for completing personal profile (5 steps), uploading your resume and conducting a job search. You are only required to complete information that has a red dot beside it. Please put your resume in one of the Resume Books so an employer searching for your skills will have better access to your resume. If the Resume Book you need is not available, contact your Career Services Department.
- Do not click “submit” until your profile has been proofread.
- When applying for any position on Experience follow the specific instructions.
- Only apply online if it is requested by the employer.
- Log on frequently for daily position updates and other important announcements.
- By creating an Experience account, you will also receive email notices of career fairs, recruiters on campus and other important information.
- When applying for any positions listed on this site, please do not attach your resume/cover letter to any position unless it is specified in the description. Most positions required you to email, fax or mail your resume directly to the company. Please be sure to follow the directions on the specific job posting.
