

Columbus State University and West Georgia Technical College
Transfer Articulation Agreement
Associate of Science in General Business

Introduction

This agreement formally recognizes that Columbus State University (CSU) and West Georgia Technical College (WGTC) are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions.

Agreement on Communication

Columbus State University and West Georgia Technical College agree to cooperate in communicating with each other concerning the articulation relationship between the two institutions.

Agreement on Articulated Courses

This agreement is specifically for students completing the Associate of Science in General Business at West Georgia Technical College transferring to the Bachelor of Business Administration degree at Columbus State University and does not apply to other institutions in the University System of Georgia.

Agreement on Maintenance and Review

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.
