DEAR COLLEAGUE:

Life University is excited to share the benefits your institution and your graduating students will enjoy as a result of the Umbrella Articulation Agreement signed on March 21, 2011 by Commissioner Ron Jackson of the Technical College System of Georgia (TCSG).

The Umbrella Articulation Agreement will facilitate the smooth transitioning of your students who desire to enroll at Life University in the Bachelor of Business Administration (B.B.A.) or Bachelor of Science in Computer Information Management (B.S.-C.I.M.) programs following successful completion of eligible programs at your institution. A brochure providing additional details of the Agreement is enclosed as part of our commitment to the Commissioner to promote the Agreement to students who are approaching graduation or who have actually graduated from the SACS-COC accredited TCSG institutions.

Highlights of the Articulation Agreement as noted in the enclosed brochure provide for:

- Guaranteed admission to Life University for your graduated students who desire to pursue the B.B.A. or B.S.-C.I.M degrees.
- Commitment on the part of our Financial Aid Department to assist each applicant from your institution to qualify for the maximum amount of aid available, to include the Georgia HOPE Scholarship, Zell Miller Scholarship and Georgia Tuition Equalization Grant.
- Smooth processing of all aspects of the transition as your students graduate (or as they are approaching graduation) and seek to pursue their Bachelor’s degree at Life University.
- Promotion of the concept of a “2 + 2” arrangement for students to complete their two-year degree at your institution and continue their next two years of study with Life University, resulting in the attainment of their Bachelor’s degree.

Life University looks forward to a future of close relations with you and your students as the Umbrella Articulation Agreement continues to support new opportunities for your graduates looking to complete a Bachelor’s degree.

Should you have any questions, please feel free to contact us at Life University. If at some point in the future you have the opportunity, we would be honored to host you for a tour of our beautiful campus in Marietta, Georgia.

SINCERELY,

Frances Roberson, Ph.D.

BACHELOR'S

means you can earn a Bachelor's degree at Life University with courses taken at one of Georgia's Technical Colleges in Business or CIS.

How do we do it? Credits completed in Marketing, Management, Accounting and CIS can be applied to Life University's Bachelor of Business Administration degree (B.B.A.) or Bachelor of Science in Computer Information Management degree (B.S.-C.I.M.)

Your four-year degree is just two steps away! You can earn a Bachelor's degree much faster and easier than you might have ever imagined through the Two Plus Two agreement between the Georgia Technical Colleges and Life University. Individual program agreements (B.B.A. or B.S.-C.I.M.) have been designed to minimize loss of credit and course duplication. Build on the educational foundation you've already earned to obtain an advanced degree and better your education and your career!

Moreover, both your current Technical College and LIFE will extend their best efforts to ensure the smoothest possible transition into Life University's college of undergraduate studies.

PLUS, LIFE UNIVERSITY OFFERS:

- Small class sizes
- Instructors with real-world business experience
- Quarter system allowing scheduling flexibility
- Friendly and safe campus
- Intercollegiate sports
- On-campus living available
- Located in historic Marietta, GA

Life University will guarantee admission into the Bachelor of Business Administration (B.B.A.) or Bachelor of Science in Computer Information Management (B.S.-C.I.M.) program to students from the Technical Colleges of Georgia who meet the following criteria:

1. Students must have successfully completed the prescribed curriculum as specified in the sub-agreement between Life University and the Technical Colleges of Georgia.
2. Students must have maintained a grade point average (GPA) of 2.6 out of 4.0 in courses qualifying for articulated credit in order for automatic credit transfer to occur.
3. Students must have a cumulative college GPA of 2.0 or higher on a 4.0 scale as calculated by Life University. Life University College of Arts and Sciences uses earned credits (or hours) from all colleges attended to compute the GPA for admission to the undergraduate program.

Life University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award Associate, Bachelor's, Master's and Doctor of Chiropractic degrees.

Life University does not discriminate in the application, retention or promotion of students based upon race, color, creed, sex, age, national origin or ethnic origin. Further, the University does not discriminate in its loan programs, scholarship programs, athletic programs, nor in any other school administered programs.

MAKE YOUR MARK
APPLICATION PROCEDURE

Applying is simple. As long as you meet the criteria described in this brochure, your admission is guaranteed. Applications are available online at www.LIFE.edu/Admissions or you can contact us at 770-426-2884 to receive one by mail.

Once you’ve got the application in hand, you’re only two steps away:

1. Complete and return the application to the Life University Office of Enrollment along with a one-time non-refundable application fee of $50 U.S. Do not send cash.

2. Request that your official transcripts (no copies) be sent to Life University from all colleges, universities or professional schools you have attended or are currently attending. Transcripts must be sent directly to Life University.

It’s that easy. So what are you waiting for?

Note: Application is made only for the quarter specified on the application form. If you would like to postpone enrollment, please contact us at 770-426-2884.
