## Making A Difference For Our Smallest Future Leaders

On October 3, 2012 West Georgia Technical College campuses of Carroll, Coweta, Douglas, LaGrange and Murphy participated in the Phi Beta Lambda campus wide March of Dimes fundraiser- **Jeans for Babies**. For a minimal fee, faculty and staff could wear jeans and/or their "Save the Babies" T-Shirts. Local President Anita Welch says, "PBL appreciates all the support from each campus. Our fundraiser was a success! Thank you!"
