

Columbus State University and West Georgia Technical College Transfer Articulation Agreement

Introduction

This agreement formally recognizes that Columbus State University (CSU) and West Georgia Technical College (WGTC) are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions.

Agreement on Communication

Columbus State University and West Georgia Technical College agree to cooperate in communicating with each other concerning the articulation relationship between the two institutions.

Agreement on Articulated Courses

This agreement is specifically for students completing the courses included in this document at West Georgia Technical College who are transferring to complete a baccalaureate degree at Columbus State University.

No student may transfer more than 75% of the credit required for an associate or baccalaureate degree. Both institutions are committed to advising students accordingly so that credit earned is applied appropriately to the degree.

Agreement on Maintenance and Review

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.

This agreement will be in effect for three years from the date of administrative endorsement. Renewal of transfer plans with appropriate content changes will be completed on an annual basis.
