

## Program Integrity Complaint Process

West Georgia Technical College desires to resolve student grievances, complaints and concerns in an expeditious, fair and amicable manner. If an issue arises, first contact the perspective office which the issue is concerning. For example, an issue with the application process should be directed to the campus enrollment center or an issue with an instructor should be directed to the campus academic office. If you are unable to obtain contact or a resolution locally, please contact the WGTC Customer Care Center at [WeCare@westgatech.edu](mailto:WeCare@westgatech.edu).
