BbLearn Mobile App

Accessing your course from mobile devices can make staying on track easier and more convenient. The app is available for iOS, Android and Blackberry devices. *Note: the app is free but there may be a small cost for accessing your courses.* **AS OF JUNE 2015 IT IS $1.99 FOR LIFE**

In the app students can:

- Access documents in multiple formats.
- Read announcements.
- View grades.
- Post to discussions and comment on blogs.
- Watch or listen to media files (with the appropriate media-specific software installed on the device).
- Note: **You cannot take assessments or surveys in the app.**

Before downloading the app, verify that the app is from *Blackboard Inc.*
