HATE CRIMES

West Georgia Technical College is also required to report statistics for hate (bias) related crimes by the type of bias as defined below for the following classification:

(See definitions above for the following)

- Murder/non-negligent manslaughter
- Sex offenses
- Robbery
- Aggravated assault
- Burglary
- Motor vehicle theft
- Arson

(See Definitions below for the following)

- Larceny
- Vandalism
- Intimidation
- Simple assault

Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

Vandalism: To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A bias-related (hate) crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc... the assault is then also classified as a hate crime.

If a bias-related (hate) crime was reported to you, please fill out the top section of Page 1 and then complete the following information about the type of bias involved in the crime.

Type of Crime (List classification as defined above):			
Type of Bias (circle one):	Race	Religion	Ethnicity/National Origin
