## STUDENT LIFE SPOTLIGHT:

Student Life hosted Summer Semester Virtual Weeks of Welcome May 26 - June 4 to welcome new students to and returning students to West Georgia Tech. Week one was dedicated to providing students with resource information. The Virtual Week of Welcome Resource Table featured flyers and brochures from various departments like Accessibility Services and WGTC Foundation. A Virtual Student Engagement section was created and added to the WGTC Student Life web page to provide students with opportunities to engage in activities. By clicking the links on the VSE page, students, faculty and staff can visit the Zoo, take a tour of The Met or travel to Ellis Island without leaving their home.

WoW week two started off with an Alumni Panel hosted by Institutional Advancement. Former WGTC students shared their stories of what led them to WGTC, the impact the college made on their lives and gave some tips on how to succeed as a student. Other activities included Netflix Parties, a Virtual Scavenger Hunt, What About Me Personality Test discussion and Better Health Through Better Living - a webinar about choosing a healthy lifestyle with food choices and exercise. All week long students could participate in Take the Pledge in which they pledged to use medication safely. More than 100 students have taken the pledge so far. Thank you everyone for participating in Virtual Week of Welcome. Have an amazing Summer Semester!

Alexus Opher  
2nd Place Winner  
WoW Scavenger Hunt

Tabitha Johnson  
3rd Place Winner  
WoW Scavenger Hunt
