STUDENT LIFE SPOTLIGHT:

Why do we celebrate Constitution Day?

Constitution Day, also known as citizenship day, was introduced in 2005 to honor the day that 39 delegates to the Constitutional Convention signed the United States Constitution. This historic date was September 17, 1787. This year marks the 233rd anniversary of the United States of America's founding document. On September 17, 2020, Student Life and Financial Aid partnered to host an activity to encourage our students to celebrate Constitution Day. Students who completed the Bill of Rights quiz and showed proof of their voter registration will receive a Constitution Day themed T-shirt in the mail. Though the event was open for in person participation on the five main campuses on 9/17, students can still participate virtually until September 20. To participate, go to <https://www.westgatech.edu/student-life/constitution-day/> and click on "Participate in Constitution Day."
