Deposit To An
Existing Account

Deposit To A BankMobile
Vibe Checking Account

When it comes to deciding how to get your money, you deserve choices.

Your choices include:

DEPOSIT TO AN EXISTING ACCOUNT (Direct Deposit) – Money is transferred to an existing account the same business day BankMobile receives funds from your school. Typically, it takes 1 – 2 business days for the receiving bank to credit the money to your account.

DEPOSIT TO A BANKMOBILE VIBE CHECKING ACCOUNT – If you open a BankMobile Vibe Checking Account (upon identity verification), money is deposited the same business day BankMobile receives funds from your school.

What is the BankMobile Vibe Checking Account?

The BankMobile Vibe Checking Account is a digital-only, FDIC insured checking account with access to 55,000 fee-free Allpoint® ATMs (ATM availability varies by location), money management tools and a one-of-a-kind recognition program. You can continue to use this account when you are no longer a student and BankMobile also offers an interest-bearing savings account.

Does the BankMobile Vibe Checking Account have a monthly service fee?

Yes. The BankMobile Vibe Checking Account has a \$2.99 monthly service fee, however, you may avoid this fee by making Qualifying Deposits totaling \$300 or more per statement cycle. Qualifying Deposits include direct deposit, transfers from external bank accounts, check deposits, point-of-sale deposits and cash deposits such as those made via Green Dot® Reload @ the Register™. Financial aid refunds or other refunds issued by your school, interest earned on your account, promotional credits such as cash back awards, internal account transfers, fee waivers, fee credits, returned items or dispute credits are not eligible toward the \$300 in total deposits. For more information, see the BankMobile Vibe Checking Account Fee Schedule and Interest Rate Information and Account Terms and Conditions.

Are you due a refund?

If you don't receive financial aid, you still may receive money back from the school in the future. After all, you may drop a class or make an overpayment. Going through this process now can ensure you'll receive any money owed to you by your school in a timely manner.

If you're due a refund, you'll get an email from BankMobile letting you know when it's been processed.

How do I speak with a BankMobile representative?

Call 1-877-EASY-515 for customer service

How will I know when my money has been sent?

BankMobile will send you an email to the email address you entered during refund selection. You can also set-up text alerts or view your refund status online at RefundSelection.com.

You can have refund alerts sent directly to your mobile phone. Signing up is easy:

1. Log in to your profile
2. Under the 'User Profile' tab, select 'Mobile Alerts'
3. Follow the prompts. (Text message fees by your service provider may still apply).

Important Reminder

If you change addresses, you **MUST** notify BankMobile and WGTC

1 Funds from payroll-related direct deposits may be made available up to two days early. Early access to payroll deposits applies to the direct deposit of funds from your employer. Employer direct deposits vary and, as a result, it is not possible to guarantee early access to your pay. Factors that will affect this include the sender's deposit description used and the timing of their submission of deposit. In order to provide this service, we generally post such deposits on the business day we receive notice that the deposit is scheduled, which may be up to two (2) business days earlier than the payer's scheduled payment date. In general, benefit checks (direct deposit or otherwise) from the federal or state government will not be eligible for early access based on the parameters we use. As an example, benefits that generally would not receive early access include but are not limited to unemployment, retirement, pension, civil service, railroad retirement and veteran's payments.
