

WGTC 5.15

Student Grievance

It is the policy of West Georgia Technical College to maintain a grievance process available to all students that provides an open and meaningful forum for their complaints, the resolution of these complaints, and is subject to clear guidelines. This policy does not address complaints related to the unlawful harassment, discrimination, and/or retaliation for reporting harassment/discrimination against students. Those complaints are handled by the Unlawful Harassment and Discrimination of Students Procedure Code; see below for link.
