

## WGTC 5.3

### Assessment

Admission to West Georgia Technical College is a multi-step process that consists of an evaluation of prior academic experience and assessment for postsecondary readiness of eligible applicants. In accordance with the Statement of Equal Opportunity, the System and its constituent technical colleges will not discriminate in admissions. West Georgia Technical College uses multiple measures to evaluate students' readiness for a degree, diploma, and certificate programs. West Georgia Technical College follows guidance from TCSG when determining assessment for program readiness. The required scores and the assessment instruments are listed on the West Georgia Technical College Data Parameters Sheets for both traditional and dual enrollment students.
