Full-Time Enrollment for Benefit Status

Students seeking health insurance benefits, Veteran’s Affairs benefits, or similar program entitlements are typically required to be enrolled in an educational program on a full-time basis. Given that the Adult Education program is based on clock hours versus credit hours, attendance in the WGTC Adult Education program is deemed “full-time” at a rate of 18 clock hours per week during each scheduled instruction period. Students attending less than 18 clock hours per week will be considered “part-time.”
