

## Accounting AAS Degree (AC13)—67 Credit Hours

**Program Description:**

The Accounting Associate degree program is a sequence of courses that prepares students for a variety of careers in accounting in today’s technology-driven workplaces. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement.

Graduates may find employment as accounting clerks, bookkeepers, junior accountants, payroll clerks, tax preparers, or cost accountants. The accounting field continues to provide endless opportunities for professional employment and growth. Strong accounting skills increase a student’s employment marketability and earnings potential. Initial salaries are approximately \$42,000 per year.
