

Air Conditioning Repair Specialist Certificate (ACY1)- 20 Credit Hours

Program Description:

The Air Conditioning Repair Specialist certificate program prepares students for positions in the maintenance and repair of air conditioning systems. A combination of theory and practical application provides for the necessary skills to support industry requirements. Graduates may find entry-level employment as air conditioning repair persons or in related occupations. Salaries in this occupation are estimated to range from \$36,170 - \$51,390 per year (BLS.gov May 2022).

Students starting the diploma in the Summer will take General Education courses only. All certificate options are only available during the Fall and Spring semesters. If you miss or fail to complete a course, you will wait until the course is offered again. Eligible for State Aid only.
