

NOW HIRING: INDUSTRIAL MAINTENANCE TECHNICIANS

📍 6220 Duquesne Dr SW, Atlanta, GA 30336– Fulton Industrial Area

What You'll Do

- Troubleshoot and repair mechanical & electrical systems
- Work with motors, conveyors, pneumatic & hydraulic systems
- Perform preventative maintenance on manufacturing equipment
- Diagnose issues using PLCs and control systems

What We're Looking For

- Industrial Maintenance / Electrical / Mechatronics training
- Hands-on experience or strong mechanical aptitude
- Ability to troubleshoot in a production environment
- Open to different shifts (day/night available)

Compensation

- \$28–\$35/hour (based on experience)
- Opportunities for growth into advanced maintenance roles

Location

- Atlanta, GA (Fulton Industrial area – easy commute from local tech schools)
