

## Business Management Degree (MD13)- 64 Credit Hours

## **Program Description:**

The Business Management associate degree program is designed to prepare students for entry into management and supervisory occupations in a variety of businesses and industries. Learning opportunities will introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement in management. Graduates seek entry-level employment performing human resources functions, including recruitment, hiring, and training of new employees; benefits administration; and labor relations in a variety of businesses and industries. Starting salaries are approximately \$39,000 per year.
