

NOMINATING INSTRUCTOR & STUDENT'S ROLE

Your role as a nominating instructor:

1. To complete the nomination form including a letter of support addressed to the college president. Please make sure your student meets all minimum requirements for the entire duration of the competition, See the section below titled student eligibility requirements.
2. Work with your student to prepare their "story" about how technical college has changed their life. The more compelling the story-telling, the better.
3. Attend all competitions and speaking commitments

Your student's role:

1. Prepare a compelling account of how technical education has changed your life and work on your interview skills (attend the orientation - it will help).
2. To represent WGTC to the best of their ability.
3. Meet minimum expectations for the duration of the GOAL competition.
4. To attend all competitions and events above (if they qualify).
