Authority: O.C.G.A. §§ 43-10-2, 43-10-6, 43-10-9, 43-10-12, 43-10-13

To meet the minimum required hours, the WGTC Cosmetology program attendance requirements are as follows: students are only allowed to be absent from each individual Cosmetology or Esthetics class for 1 full day [or the total hours of 1 class period]. Students arriving late for class or leaving early results in a tardy. Once a student has 3 tardies, that will equal 1 absence or if a student has missed the total of their class time in 2 tardies, that will be counted as an absence.

The State Board of Cosmetology and Esthetics has a cap of 4 years for students to gain their license once they complete our program. Due to the time limit that the state has set in place, we also have a 4-year limit for students to complete all the classes within their major or they will have to re-take the entire program. If a student has not completed the program within 2 years, they will be required to complete one (1) full Fall or Spring semester.
