Double your learning to double your earning!

Training On The Go Childcare Pathway

Earn Your GED/HiSet While Starting Your Career in Childcare!

ABOUT:

The Learn-2-Earn/Training on the Go Program focuses on impacting Adult Education students through short-term education and training programs designed to quickly move participants toward securing and sustaining a living wage. This one-semester program is designed to help individuals interested in a career in childcare successfully pass the GED exam, obtain two (2) nationally industry recognized credentials, and gain valuable work experience.

REQUIREMENTS :

- Be a currently enrolled and attending WGTC Adult Education student
- Completed two sections of the GED exam OR be ESL4 & provide a translated High School Diploma
- Be able to attend both college classes as well as GED prep classes weekly for the full semester

PARTICIPANTS WILL:

- ✓ Develop skills within the field of Early Childhood Education through college courses
- ✓ Have the opportunity to earn the Early Childhood Care and Education Basics certificate
- ✓ Participate in hands-on work experience in a local daycare facility.

BENEFITS:

- Free tuition, books and supplies for the program
- Monthly stipend/Paid work experience
- Reimbursed gas cards for travel to school and work site
