

Practical Nursing Certificate (PN21)- 49 Credit Hours

Program Description:

The Practical Nursing program is designed to prepare students to write the NCLEX-PN for licensure as practical nurses. The program prepares graduates to give competent nursing care. This is done through a selected number of occupational courses providing a variety of techniques and materials necessary to assist the student in acquiring the needed knowledge and skills to give competent care. The nursing program covers all theoretical content areas outlined in Georgia Board Rule 410-9-06(5a & 5b). A variety of clinical experiences is planned so that theory and practice are integrated under the guidance of the clinical instructor. Program graduates receive a practical nursing certificate and have the qualifications of an entry-level practical nurse. Licensed practical nurses (LPNs) provide direct patient observation, care, and assistance in offices, hospitals, clinics, private homes, group homes, nursing homes, emergency treatment facilities, or other healthcare facilities including, but not limited to: coronary care, intensive care, emergency treatment, surgical care and recovery, obstetrics, pediatrics, outpatient services, home health care, or other such areas of practice under the direction of physicians, dentists, podiatrists, and registered nurses. Licensing required. Median starting salary \$54,620.
