

Accelerated Career pathways offer qualified students a unique path to high school graduation. Students choose to simultaneously earn a high school diploma and a college Associate Degree, Technical Diploma, or two (2) Technical Certificates of Credit (TCC's) in a specific career pathway. Some of the required high school courses may be taken under the state-funded Dual Enrollment Program.

Students interested in pursuing Accelerated Career pathways should contact their high school counselor or WGTC Dual Enrollment Department at dualenroll@westgatech.edu. Available programs vary by campus.

Complete all nine High School Courses

- 2 English: American Lit / EOC & another English course
